Kevin T. Davenport

Chief of Police

Dear Mr. Papera and the SGBOE,

In an effort to keep everyone up to date with respect to Coronavirus concerns, I would like to reinforce some safety measures parents and guardians can take to limit the exposure of this virus. We have confirmed a positive case of the COVID-19 in Sea Girt which should raise everyone's alert levels. Please take the time to educate you children of continuous hygiene in their everyday lives as we move through this pandemic.

One of the concerns I have is sleepovers and slumber parties during this school closure, which I would not suggest. It is also my suggestion at this time to limit your child(s) time away from your supervision. The reports of this virus are going to spread rather quickly over the next couple weeks and I expect more positive cases here in Sea Girt. Unfortunately, we had to close all playgrounds, recreation areas, tennis courts and ball fields. Family time on bikes or walks are encouraged and can be a safe alternative. We as a community have to all take these precautionary measures very seriously to limit the outbreaks in Sea Girt. A temporary inconvenience with respect to taking these precautions will eventually reward us with limited exposure so we can get back to our normal routines that much faster. Please sign up for my weekly swiftreach messages by following these simple steps;

1. Go to our website @ www.seagirtpd.net
2. Click on the link in red titled, "SWIFTREACH EMERGENCY CONTACT SIGN-UP"
3. You will be prompted to sign up into a portal, enter the requested information
4. PLEASE ENTER THE PHONE NUMBER (732) 250-9030 INTO YOUR PHONE CONTACTS AS "SEA GIRT EMERGENCY NOTIFICATION" that way you will recognize the number as an emergency notification from Sea Girt AND NOT A POSSIBLE SPAM CALL.

If you have any problems or questions in signing up, please call Chief Kevin Davenport @ (732) 449-7300 ext 418.

Thank you and be safe and healthy,

Kevin Davenport (Chief)
