Hi Patriot Families!

I wanted to take a moment to reach out to you during this time of uncertainty. Our top priority at Sea Girt Elementary School is to support our students' well being. Currently, we are all facing changes and challenges that we have never had to experience before. We need to figure out our new home/school balance; what it looks like and what it entails. With that being said, I am here to continue to support our students. I will be available via email from 9:00am-1:00pm, during the school week. Please do not hesitate to contact me.

Parents here are some helpful tools when talking with children.
