### **8<sup>TH</sup> GRADERS RUN IN SEA GIRT 5K BENEFITTING FULFILL**

Our 8<sup>th</sup> grade students were invited to participate in the Sea Girt 5K held on October 17, 2020.

Every year the Sea Girt 5K donates to a charity, this year being Fulfill, a foodbank supporting Ocean and Monmouth Counties. The students were excited for the opportunity to finally be able to participate as a group and they took off running!

While several ran the 5K, they all helped to spread the word to the rest of our school community by making fliers and placing boxes in our front hallway for food donations. A total of 40,000 meals were donated to Fulfill. We are so proud of our 8<sup>th</sup> graders who helped to make this year's 5K a very successful event.

Thank you SGES families for your donations.

## COUNSELOR'S

Dear Parents & Guardians,

During the month of October, we focused on the character trait RESPECT. The month began with the Week of Respect. Students participated in theme days to demonstrate their commitment to address and end bullying. Classroom lessons focused on Bucket Filling in grades PK-2, The Juice Box Bully in grade 3 and The Secret Bullying in grades 4 and 5.

Unity Day which promotes kindness, acceptance and inclusion took place on October 21st. It was awesome to see everyone in their Patriot gear!

We end the month with Red Ribbon week which focuses on drug prevention. Morning announcements focused on the importance of being drug free.

Looking forward to what November has in store as we continue to focus on Social Emotional Learning.

Warmly,  
Sally Bittner, MSW

## LEGOS IN ELA?

Our 7<sup>th</sup> grade students in Mrs. Walter's ELA class are currently reading *The Stars Beneath Our Feet*, by David Barclay Moore.

The main character in the book experiences a loss, and copes with his loss through “building a new world” for himself using Legos.
