Mrs. Carly Fanslau
Assistant Principal/Director of Student Services

April 2, 2019

Dear Parents/Guardians:

Again, this year Grades 5 and 8 will participate in the New Jersey Student Learning Assessment for Science. Today each child received a copy of the *Parent, Student, and Teacher Information Guide*. Since these publications provide information about the 2019 NJSLA-S, and this is only the second year that New Jersey will be testing science online, our teachers have read and discussed the content of the booklets with their students. Parents should also be advised of the importance of this material and review it with their children. The NJSLA-S testing will be taking place at Sea Girt Elementary School on May 13-16th during the students' regularly scheduled science classes. Please continue to monitor the Tuesday/Friday flyers and the school calendar, should any changes or updates be made. Should you have any questions or concerns, please do not hesitate to reach out to me.

Sincerely,

Carly Fanslau

Assistant Principal/Director of Student Services
